## **Don't Forget to Renew Your SEAA Membership**

Watch your mail for your SEAA membership renewal form and take care of your renewal right away so you won't miss any SEAA benefits. Renewals will be mailed to all current members around December 10, 2012.

You can go one step further and invite an industry colleague or supplier to become a member, too. Just send them to this link: [http://www.seaa.net/membership/Membership\\_Dues.aspx](http://www.seaa.net/membership/Membership_Dues.aspx)
